GDPR PRIVACY NOTICE TO PATIENTS

We will keep your records safe

This dental practice complies with the Data Protection Act (2018) and General Data Protection Regulations (GDPR) 2018. This means that we will ensure that your information is processed fairly and lawfully.

WHAT PERSONAL INFORMATION DO WE NEED TO HOLD?

- Past/current medical and dental history, personal information such as address, phone numbers, age and name of your GP.
- Details of your NHS number and healthcare treatment entitlement.
- Details of your exemption status if applicable.
- X-rays, clinical photographs and study models.
- Treatment plans and correspondence regarding treatment we have provided or proposed plus its costs.
- Notes of conversations or incidents that might occur for which a record needs to be kept.
- Consent of treatment.
- Any correspondence relating to you with other health care professionals ie: hospitals or community services.

WHY DO WE HOLD THIS INFORMATION?

We keep accurate personal data in order to provide you with safe and appropriate dental care. If providing care under the NHS, we also need to process personal data to ensure proper management and administration of the NHS.

RETAINING INFORMATION

We will retain your dental records, study models and X-rays while you are a patient of this practice and for eleven years or until the age of 25yrs (whichever is longer) once you cease to be a patient.

SECURITY

We hold your information on our computer system or in a secure manual filing system. Information is only accessible to authorised personnel. Information will not be removed for the practice with the patients consent. Personal information is carefully protected and all access is held securely and passwords are changed regularly. Data is encrypted and computers are closed if unattended.

TIMES WE MAY NEED TO DISCLOSE YOUR INFORMATION

In order to provide proper and safe dental care to:

- Your GP
- Hospital or Community dental service
- Other health professionals caring for you
- NHS payment authorities
